It is always **our** intention to provide **you** with a first class standard of service. Misunderstandings can, however, occur and **we** would prefer to know about the occasional problem than for **you** to remain dissatisfied.

Any communication with **us** can be made orally or in writing and on **your** behalf by a third party with **your** permission.

If a problem has arisen in connection with this policy that has not been resolved to **your** satisfaction and **you** wish to make a complaint, **you** should firstly discuss this with

If **your** complaint should be more appropriately dealt with by another firm, **we** will ensure it is referred to them as soon as practicable and certainly no later than five business days of becoming satisfied that another firm is or may be responsible for the matters complained of. **We** will make this referral to the other firm in writing and advise **you** by way of a final response that the referral has been made and include the other firm's contact details.

Your complaint will be thoroughly investigated and **we** will respond to it as soon as possible.
